SPECIFICATIONS FOR CONTRACTUAL MOWING

GENERAL INFORMATION

1. Factors Considered in Awarding

Price will not be the only consideration in making the award. Contractors will be evaluated on the basis of price, experience in commercial mowing, City's past experience with service, vendors past performance, and the City's evaluation of the vendor's ability.

2. Contract Duration

The contract will run from April 1, 2019 until November 15, 2019.

3. Contract Commencement

The Contractor will be given written notice with addresses and/or parcel numbers of sites to be mowed along with any additional information needed such as cleaning up trash/debris etc. that may be located on the property and possible trees/bushes that may need to be trimmed.

4. Primary Responsibility

The Contractor shall not sub-contract any portion of their contract.

5. Insurance

The successful bidder shall comply with all City insurance requirements

6. Payment to the Contractor

After the completion of the service, the contractor shall render to the Code Enforcement Officer an itemized invoice for work done. Such invoice shall include either the address and/or parcel number, and an individual charge for each property. Any dispute as to the payment of the square foot fee shall be resolved by using the square footage for the lot that is previously on file with the Ashtabula County Auditor's Office.

MINIMUM SPECIFICATIONS FOR CONTRACT MOWING

1. Contractors shall furnish all equipment necessary to complete the contractual obligations.
2. Contractors shall remove all debris and litter from the premises and dispose of properly. Limbs, branches and other organic matter are also to be removed from the premises and may be disposed of at the City's Compost Site.
3. The City shall inspect mowing locations to verify quality of work performed and shall notify the contractor within twenty-four (24) hours of inspection of unacceptable performance. Corrections are to be made within seventy-two (72) hours.
4. The Contractor is required to provide and utilize all necessary personal safety equipment.
5. The Contractor will be solely responsible for damages to trees, plants, shrubs, turf, buildings and any other private or public property. Contractor-induced damage shall be rightfully corrected immediately at the contractor's expense. All damages shall be reported with twenty-four (24) hours to the City of Conneaut's Code Enforcement Officer.

6. Contractors shall adjust the mowers to cut at a height of no more than three (3) inches except for tracts over 2 acres, no more than 4.5" minimum. Trimming will be required in the maintenance of all specified areas and cut to a height equal to or less than the height of all mowed areas. Edges will be required in the maintenance of specified areas that adjoin curb and sidewalks. All cuttings shall be removed from sidewalks, streets and curbs. Material shall not be blown or swept into streets or drainage inlets.
