

# PUBLIC VIEWING LOCATIONS FOR 2018 Preliminary Coastal Erosion Area Maps

2018 Preliminary Coastal Erosion Area maps for Ohio's Lake Erie coast are available online at [coastal.ohiodnr.gov/cea2018](http://coastal.ohiodnr.gov/cea2018). Additionally, one or more public facilities in each of the 8 coastal counties have been provided a printed set of the 2018 preliminary maps specific to that county. These county map sets should be available for public inspection during business hours at the locations listed below. ODNR recommends calling in advance to verify the hours of operation before visiting.

<b>OHIO DEPARTMENT OF NATURAL RESOURCES DIVISION OF GEOLOGICAL SURVEY 2018</b>

To distinguish them from the 2010 maps, the Coastal Erosion Area maps released on January 12, 2018, are marked as *preliminary* and have 2018 in the title as shown above.

**Until the 2018 Preliminary Maps are finalized, the 2010 maps remain in effect.**
