

**STREET LIGHTING FEE  
EXEMPTION FORM**

Amended Ordinance No. 119-09

*EXEMPTION: Any property subject to the street lighting fee that does not have a street light within five hundred feet (500') of the property line may apply for an exemption from the street lighting fee. Such application shall be made on a form provided by the City. The application will be reviewed and verified by the City Manager or his designee. Any person making such application must have the property markers closest to the street uncovered and/or visible. If the City Manager or his designee determines that there is no street light within five hundred feet (500') of the property line, an exemption shall be granted. The exemption will be effective the first month following the approval of the application. No refunds will be made of any fees previously charged and/or paid.*
